# Freixenet Winery

A decorative border composed of various green leaves and small, light-colored flowers, arranged in a corner pattern around the central text. The leaves vary in shape and size, some being heart-shaped and others more elongated. The flowers are small and clustered, adding a delicate touch to the design.

# DONATO WINERY

A decorative gold border with ornate floral and scrollwork motifs at the corners and midpoints of the top and bottom edges. The text "AZTECA WINERY" is centered within this border.
